A READER'S TOP FIVE

Dear *Voluptuous,*

First, I just want to tell you that you guys are great. The women you have in *Voluptuous* are amazing!

The first girl I ever saw in your magazine was Kerry Marie, and I've been in love with her ever since. She's beautiful and should be Model of the Year, every year. Either that or bring Rachel Love back so she can be Model of the Year.

When you put Rachel Love in the April 2003 issue, you really outdid yourselves. Because of these pictures of Rachel Love, I guarantee you that I am and always will be a dedicated reader.

See, I'm in my mid-20's and I only date older women. My ex-girlfriend looks exactly like Rachel Love. I showed that issue of your magazine to her, and even she thought they looked very much alike. You should see my ex-girlfriend. Damn! What a knockout!

You guys are doing a great job. Keep up the good work. With that, I'll leave you with my list of the most beautiful women I have ever seen in *Voluptuous.*

1) Rachel Love
2) Kerry Marie
3) Audra Mitchell
4) Via Paxton
5) Autumn-Jade

Thanks again everybody.–M.R., San Francisco, CA

SUSIE, NORMA & NADINE?

Dear *Voluptuous,*

My compliments for your magazine. To open it every month is a very emotionally satisfying experience. My favorite models are the incredible Jenny, the plumpers Roberta Smallwood and Power Bosom.

I have one request. Any recent photo of Nadine Jansen would be wonderful to see.–Name Withheld, Italy

Editor's Note: *Here's a new picture of Nadine, bustier and more* Voluptuous *than ever. This one is from her Jan. '04* SCORE *pictorial. Her* Voluptuous *pictorial is coming soon!*

If you love Kerry Marie, *Voluptuous* is your magazine! We have more photos of Kerry than any other magazine or website. Here's a fresh look at the busty one, who was in our studio posing for exclusive photos and videos. Watch for them in *Voluptuous* and on Kerry's website, www.KerryMarie.com. Plenty more pictures to come!

GROWTH SPURT ALERT! Nadine Jansen has gotten MORE *Voluptuous* than ever! She's gained a cupsize in her bust and added more curves in all the right places. We just got a new pictorial of Nadine that you'll be seeing in an upcoming *Voluptuous*, and there are new photos of the German Wonder in the Jan. '04 *SCORE*, on sale at newsstands now!

LOSE THE RAZORS!

Dear *Voluptuous*,

The return of Sarah Mercury in the Oct. '03 *Voluptuous* was great. Her overall appearance and that widespread bush are most appealing. In that same issue, Maria is similar, though a bit too muscular, and that shaven pussy is a look that should remain with pre-teens, not with mature women!

More layouts with Denise Davies are always great, though seeing her with a cock in hand or mouth is good. Denise's earlier photos exhibited more hair (pussy and a nice patch of partly trimmed underarm hair).

One letter to V-Mail complains about too much bald pussy, and I must concur. There seems to be a trend afoot to shave everything. *Voluptuous* used to feature a "hairy" layout from time to time in the past. Please return to that.

Many women do not find bald men appealing, and many men no doubt have the same reaction to bald women. Big tits alone do not make up for the absence of the rest of the woman, especially *Voluptuous* women. I remind you

HELP WANTED!

We ran this ad in the Jan. '04 *SCORE*, so for those of you dual readers, it may be a bit redundant. For all of you guys who are loyal to the naturals…break out your resumes 'cause *Voluptuous* is hiring! We're looking for a few good men and/or women. Think you have what it takes? Keep reading…

Assistant Editor: You have to like big tits. Your significant other has to like that you like big tits. Our office is in Miami, Florida, so you'll have to get used to heat, humidity and models walking the streets in thongs. If you've worked as an editor, assistant editor, copy writer or in a related field, that's a plus. If you know Quark Xpress, that's a big plus. And, if you have a journalism degree from, say, the University of Miami or the University of Missouri, that's an even bigger plus. If you have all of these qualifications and can tell us who was on *Voluptuous*' first 12 covers, CALL NOW!

Art Director: Photoshop, Illustrator and Quark skills are mandatory. If you don't have them, stop reading and enjoy the rest of the book. Four-color publication experience is greatly desired, though not mandatory.

The Benefits: Great work environment. Excellent salary. Paid vacations, health and sick days, a cubicle, a computer, a chair, lots of responsibility, long hours and plenty of deadlines. But, one day you may get to tit-chat with a great girl like Kerry Marie–a perk you definitely won't get at the *NY Times.*

There is one more important requirement…No Prima Donnas. If you haven't created *Voluptuous* in the past 10 years, either as an editor or art director, you'll need to have a good attitude coupled with the ability to listen and learn. We love team players here at *Voluptuous*, but only talented ones.

Yes, we know we're asking a lot. But, the way we see it, why run with the pack when you can run away from it? If you think you have the right stuff, send your resumes to: **The SCORE Group, Human Resources Dept., 1629 N.W. 84 Avenue, Miami, FL 33126; fax 305-662-8922; or e-mail a cover letter and attach a Quark document resume to jobs@scoregroup.com.**

of your slogan–"All Stacked! All Natural!" *Voluptuous* used to believe that "All Natural" meant exactly that. I'd like to see it return to a more *Au Naturale* look in the future. Leave the shaving to your other magazine, *18Eighteen*.–H.L., Chicago, IL

HANA OR HENRIETTA

Dear *Voluptuous*,

Long time reader, first time writer. I'm writing about Hana. When I saw her, I knew I had seen her before. That, or she has a twin. It was in another magazine, though, and her name was Henrietta. I just want to know if they're the same person.–R.B., Manitowoc, WI

Dear R.B.: Yes, they are. However, from Hana's mouth to all of you, "Henrietta is some name the other magazine made up." Why? Perhaps they didn't take the time to talk to her (their loss), as we did with Hana's Oct. '03 Voluptuous *pictorial.*

HOW MANY CONTESTS?

Dear *Voluptuous*,

First, I love your magazine. I've been a loyal subscriber for more than five years. Since this year's Newcomer of the Year is all but wrapped up (Nicole Peters is absolutely amazing), I have some suggestions for you about this year's upcoming *Voluptuous* Awards:

1. Add a "Plumper of the Year" Award. Allow both newcomers and old-cummers to compete. Can you just imagine a competition between Cherry Brady, Maria Moore, Samantha, Laura Bailey, Lenka, Susie Wilden, Sarah Mercury, Kat Vixen, Devin Taylor, Chaz and Daphne Rosen? A true *Voluptuous* dream cum true!

2. Add a "Photo of the Year" Award. I know this was suggested in Oct. '02 issue (below that incredible picture of Autumn Jade), but it's a great idea. That way, you present an opportunity for all of this year's models (and perhaps your photographers) to compete against each other!

3. Probably goes without saying, but keep both the Model of the Year and Newcomer of the Year awards.

Looking forward to the competitions. It certainly was a great year for *Voluptuous*. Keep up the good work!–K.C. Birmingham, AL

Editor's Note: *We have added a "Plumper of the Year." However, from the editor of* Voluptuous *who started the first contests, "The Big Breast Challenge" and "The Search For The Perfect Ass," to all readers out there, how many contests do we need? Photo of the Year, Pose of the Year, Model of the Year, Plumper, Nipple, Newcomer…Just wondering what other readers thought. Can* Voluptuous *have too many contests? You tell us.*

VOLUPTUOUS PERSONALS?

Dear *Voluptuous,*

First of all, let me say that I truly enjoy the magazines that you publish, particularly the magazine that you have called *Voluptuous Presents XL*. My hat goes off to you for creating such a great magazine, especially one that caters to guys who enjoy looking at beautiful women with extra padding.

If any of these girls are single and would like to meet a tall, good looking, single man who enjoys the company of a woman with extra padding, then please let these girls have access to my address for anything they want. I would love to talk to one or more of your plus size ladies.

You're probably thinking this is pretty weird, having a letter come to you looking for one of your models who is single. But, maybe one of them is looking for a possible relationship. So, please, go ahead and pass my address along to any of your lovely ladies who might be interested.

Keep making great magazines and thanks for a great form of entertainment.–J.S., Marysville, CA

Dear J.S.: We used to run "Voluptuous Pen Pals" for readers to interact via mail, however, it kind of fizzled out. The V-chicks loved it, though, and we'd be willing to start it up again if the majority of our readers wanted it. Write in and let us know.

DIANE POPPOS

The "Rack" Is Back!

All righty, boys and girls, drop your socks and grab your cocks, because batting lead-off this month is the one and only Diane Poppos. Normally, her name alone is enough to get V-men as hard as blue steel. But, we're the giving types here at big-boob central…We give you pictures, too. New ones. Nekkid ones. The only ones of Diane on the newsstands. And, well, you get the picture.

The ultimate busty housewife-next-door, Diane's story is the stuff of lore. She was a mother of three in Texas, whose ex-husband sold their private videos–those personal ones nobody is supposed to see. Then, when they got divorced, she started posing to pay the bills and a legend was born. She first came *V-Mag's* way in the Jan. Y2K issue, has appeared twice more and is your basic *Voluptuous* "Poster Mom." What makes Diane so damned popular. Her body for one, but also…gulp… her mind. "I'm just a regular woman," explains the normally reserved Diane. "I think guys are tired of seeing those unattainable super-models who look good in clothes nobody else can wear. Me? You see women like me on the street, in the store, at the mall. I think, by posing nude, I give guys an idea of what the woman-next-door is like. I help them live that fantasy. At least that's my take on it." Thanks, Diane, we couldn't have explained it better ourselves.

XXX DELIVERY

Priority delivery... The *Voluptuous* way!

Erotic Fiction by MIKE NOVACK

My job as a package delivery man in Fort Lauderdale doesn't pay much, but I've been doing it now for close to five years. Why? Well, let's just say there are more important things than money. Like tits. Big tits. Tanned, oiled and fuckable tits. Lots and lots of them!

Hell, where else can you spend the day delivering packages to beachfront condos, bikini stores and open-air bars? I've almost wrecked my truck more than once staring at the hot babes strutting their stuff!

The "fringe benefits" literally fall into your lap: the horny tourists, the sexy coeds and the lonely housewives. I've fucked them all and blown my load from Palm Beach to Key West.

But, not one prepared me for Candy.

It was a late afternoon in early August when I saw her for the first time. I had a small box to deliver to an oceanfront condo and recognized from the address that the condo was one that catered mostly to senior citizens. "Mrs. C. Smithson," read the package label.

No excitement here, I thought.

She buzzed me into the building, and I rode the elevator to the tenth floor, walked down the hall to the apartment, and rang the doorbell.

No answer. I rang again. Grandma's probably putting in her teeth, I figured.

Then, the door opened wide and my jaw hit my shoes.

A gorgeous, blue-eyed blonde in a short, tight, red dress smiled sweetly at me through pouty, red lips. Senior citizen? Hell, she couldn't have been more than 25, tops! Her stupendous, 44DD tits overflowed the top of her dress, creating a cleavage that made my cock surge. Her hard, thick nipples pressed out against her dress like small thumbs, and if that wasn't enough, I could tell from the way her dress framed her hourglass hips that she wasn't wearing

any panties!

"Yes?" she said with a big smile.

I stared at her huge tits pressing against the fabric of her dress, only a few feet away from my hungry mouth, and daydreamed about how awesome it would be to ram my hard cock between those gigantic tits and fuck them like crazy until the cum rocketed from my cock and splattered all over her tongue and face…

"Excuse me!" she said loudly.

I snapped out of my daydream, embarrassed at my obvious lack of tact.

"I…I'm sorry, Mrs.…Mrs. Smithson," I stammered. "I just, well, I have a package for you. Need you to sign."

I handed her the clipboard and pen, which she took from me with a wry smile. "Haven't you ever seen a woman before, Mr.…?" she asked, signing the sheet and handing it back.

"Waters, Mike Waters," I replied, regaining my composure. "Yes, ma'am, I've seen a lot of women, but if you don't mind my saying so, I've never seen one as flat-out beautiful as you."

I handed her the box with a smile, and stared again at her awesome cleavage. Shit, I knew I was grinning like an idiot, but I couldn't help myself!

Her blue eyes twinkled mischievously as she looked me up and down. I felt she was sizing me up for the kill, and damned if I wasn't right.

"Well, Mike, not the most original line in the world, but not the worst one, either," she laughed. She paused for a moment, then held out her hand. "I'm Candy. Nice meeting you, Mike."

I shook her hand and smiled widely.

"The pleasure is all mine, maybe…"

"Maybe," she giggled. "I'm expecting another package tomorrow. Deliver it," she said, closing the door.

I stood there for a moment in disbelief, then punched the air with my fist. "Yes!" I shouted through clenched teeth. A "special" delivery tomorrow!

As you can imagine, the rest of the day dragged like eternity. All I could think of was Candy waiting for me tomorrow. All I could think of was those succulent breasts, just waiting for my mouth and cock.

She was fourth on my route that day, but believe me when I tell you that I never made three faster deliveries than the ones before her! In short order I was pressing her doorbell, holding another small package for "Mrs. C. Smithson." My heart was pounding as I heard her heels click on the tile floor inside.

The door opened, and there was Candy, dressed only in a push-up bra, garter belt, crotchless panties, fishnet stockings and stiletto heels, all in black! My cock sprang to attention as I stared at her awesome body. Her huge tits spilled out over the top of her too-tight bra, revealing the dark tops of her areolae, and I felt myself become dizzy with lust just staring at her gigantic juggs.

"Hello, Mr. Delivery Man," she crooned with a wicked smile. "I've been waiting for you."

She took the package and clipboard from my hands as I stepped into the apartment and placed them on a small table next to a projection TV screen.

Candy motioned to a plush black sofa facing the screen. "Sit," she commanded, and sit I did! She then turned on a VCR next to the TV, and the huge screen came alive with a beautiful, naked blonde riding the thick dick of a lucky stud and slapping his face with

her huge, dangling breasts. Suddenly, the blonde looked very familiar…

Candy stepped in front of me, hands on her voluptuous hips, and licked her lips as she stared into my eyes.

"I usually only fuck for money," she purred, "but I haven't had any cock lately, and you looked good to me yesterday." She straddled me on the sofa and pulled me close for a kiss.

Her massive tits crushed into my chest as I locked my lips on hers, and our tongues swirled together in a passionate duel. I ran my hands down her back to her soft, sweet ass and squeezed her cheeks roughly, spreading them open at the same time. I ran my fingers through her panties and into her shaved, dripping cunt and began to finger her clit while I sucked her tongue. With a moan, Candy began grinding her pussy against my trapped, bulging cock as we kissed, soaking my pants with her hot juice.

I brought my hands up and unhooked her bra. Her huge slammers swung free as I slid her bra down her arms and flung it aside. I brought my hands up to her tits and, squeezing them together, sucked both of her pink, swollen nipples into my mouth.

Candy threw her head back with a loud, throaty moan and pulled my face into her tits as she rub-bed her pussy against my clothed shaft.

I licked her huge tits for a few moments before she pushed me away and climbed off, dropping to her knees as she pulled off my pants. Over her shoulder, I saw Candy on screen throating a massive cock to the balls, and knew that life was about to imitate art!

"Think we ought to tell him we're gay?"

My hard cock slapped up against my belly as my pants and shorts came off. Candy flung them aside, positioned herself between my open legs and began tonguing my balls as she slowly jerked my throbbing shaft with her red-nailed fingers. The pre-cum oozed from my dick and onto her fingers as she jerked me off, priming me for her long, snakelike tongue, which she now began to slide up my cock.

Reaching the head, Candy twirled her tongue around my purple helmet, filling me with exquisite sensations as she lapped up my pre-cum. I reached my hands down and began squeezing her hard nipples with my fingertips. With a moan, Candy slid her sucking mouth onto my shaft, slowly swallowing every inch until her nose and lips pressed down on my pubic hair, and her throat contracted around my throbbing pole. Then she began to suck it furiously, slathering her spit down my shaft and balls with her snaking tongue, and bulging out her cheeks with the head of my cock as she fucked me over and over with her hot mouth.

She kept her mouth clamped on my rock-hard cock like a fucking vacuum cleaner, sucking, throating and furiously working her tongue on my dick, until I thought I would blast my jism down her throat. Then she slowly slid her mouth up, and I could feel my cock twitch wildly as she dragged it out of her throat, slid it along her tongue and popped it out of her mouth.

"I want you to blow your first load down my throat," she cooed like a lusty mind-reader, pumping my twitching cock with her hand.

In response, I switched places with Candy and leaned her head backwards over the edge of the couch. With a grunt, I pushed my cock deep into Candy's mouth and began fucking her face, feeling the head of my cock banging against her tonsils as I shoved my dick down her throat.

My balls, full of hot cum, tightened as they slapped against her nose on each thrust. I ran my hands over her juggs and thrust my hips forward, impaling her mouth completely.

Candy's saliva mixed with my pre-cum and dribbled down the sides of her face as I slid my thick prick in and out of her succulent mouth, her tongue flat and wide and sliding up and down on my hard cock with each stroke.

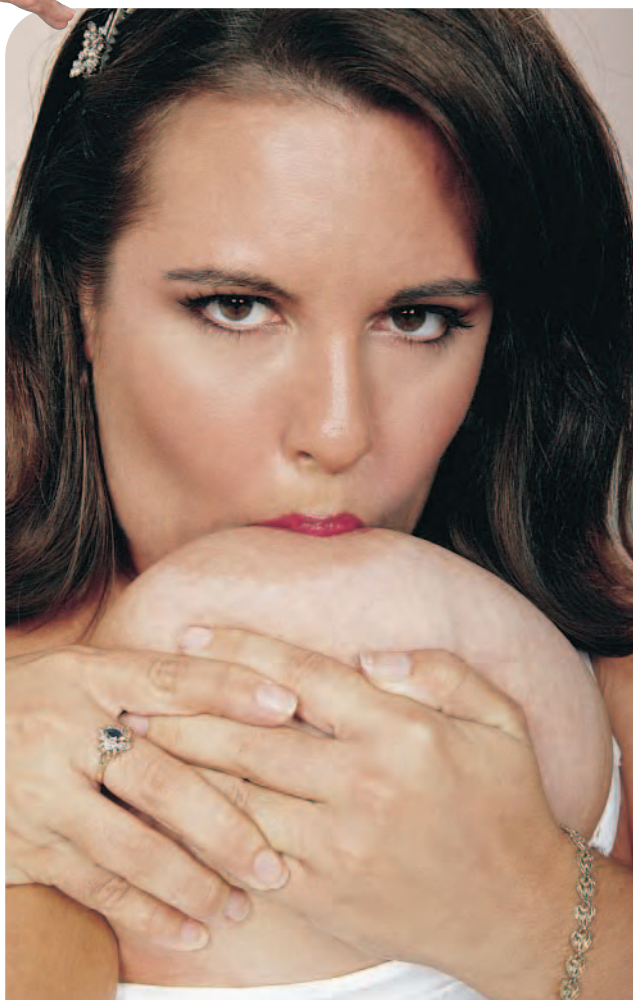
JOY JUGGS

A Plumper Legend In The Making!

Right off the snap, we have to tell you that *Voluptuous* is not a "BBW" magazine. If you want Big, Beautiful Women, ya might want to think about another magazine, *Voluptuous XL*. "Plumpers," on the other hand, we love them. Pretty, girl-next-door sex appeal; huge, all natural tits; round, meaty asses; curvaceous, full thighs; with more cushion for your pushin'!

For a more succinct description, you really only need two words…Joy Juggs!



The fun-loving, effervescent type, this London-born, South Florida-living star of *XL Xtra #2* is what *Voluptuous* is all about. A real woman, who just loves to pose, without the stuck-up attitude some hardened California porn s tars have. "Honestly, just to be in *Voluptuous*. To have people want to see your pictures and watch you in movies. That's so flattering," says the aptly named Joy. "I can't thank you and the readers enough. You know how to make a woman happy." See what we're talking about. Not only does the girl have game, she talks a good one, too!

Now, that's some titty tuggin'! Joy does it well, and often. "My nipples are so sensitive. I like them pulled and tugged and nibbled during sex. What can I say?" Nuff said, Joy. We're with you. And, looking to the right, you guys know what that no-hands dildo means, don't you? She's got a "snapper!" The kind of tight, power pussy that'll pull ya in deep and never let go! Truth in advertising, Joy? "Oh yeah! A lot of guys think, XL girl, meaty pussy. It is, on the outside, but on the inside, I'm as tight as a bung-hole! I'm talking super-tight, virgin-tight!" All righty, Joy, we couldn't have said it better ourselves!

I heard a shout behind her and saw the stud on the television screen blowing his load all over her outstretched, snake-like tongue. I felt the cum well up in my balls, jammed my cock into her mouth and fired jet after jet of hot cum down her throat. Gagging from the flood of hot juice, she tried to swallow every drop, but so much cum shot out of my cock that thick streams dribbled down the sides of her mouth and splattered onto the couch.

With a laugh, Candy fisted the rest of my cum out of my throbbing cock into her mouth and onto her tongue until my balls were finally drained dry. I begged her to stop, because the sensations were too much; but instead, she sucked my cock into her cum-filled mouth again and, in only a few moments, tongued me back to hardness. "My turn now," she whispered, popping my cock out of her mouth.

Her fingers spread her shaved pink pussy wide, wide enough for me to see her clit and fuckhole glistening with sweet hot juice. Kneeling before her, I buried my tongue between her tasty wet pussy lips and immediately began sucking her hard clit. Candy grabbed her legs and spread herself open like a gymnast, and I tongued her open pussy furiously. I reached up and began squeezing her mammoth melons, rolling her nipples between my fingers.

Suddenly her entire body began to shudder, and her first orgasm rolled over her like a tidal wave. Grabbing me by the shoulders, she pulled me up on top of her, and I rammed my cock into her convulsing, spasming twat.

I pinned her ankles to her ears, and her hot, juicy pussy squeezed the length of my throbbing cock as I rammed it deep inside her. Still cumming, Candy gasped as my cock pounded into her, wrapped her arms around my back and pulled me deeper into her wet, twitching cunt, until my balls pressed against her asshole.

Relentlessly, I jammed my hard cock in and out of her pussy as I dropped my head down to lick her thick swollen nipples. She squeezed her mammoth tits together, and I greedily sucked both her nipples into my mouth while I pumped her, driving her over the edge

Especially when they're like Marrie Mellin. Unfortunately, this is just a quickie. Four pages of pleasure. We wish we had more, but don't blame Marrie. of orgasm again. Candy's tight, wet cunt and my stiff cock made slurping fucksounds together as she shuddered in orgasm and, with a scream, dug her long red nails into my back as she came. I felt her pussy spasm around my dick as the waves of orgasm washed over her again, and I kept fucking her through her orgasm until she begged me to fuck her doggie-style.

I slid my dick out of her pussy, and Candy assumed the doggie position, raising her smooth, heart-shaped ass to my aching cock. Grabbing her asscheeks, I spread her wide open and slowly pushed the head of my meatstick into her dripping snatch. Gasping with pleasure, she pushed back and swallowed my cock with her pussy in one quick hump. Her puffy, juicy pussy lips stretched wide around my johnson as we fucked like two dogs in heat.

Candy closed her eyes and grunted with pleasure as the head of my cock bumped her cervix with every plunge, and she ground her hips into me, sucking every stiff inch of my cock into her hot pussy. I reached around and squeezed her giant hanging tits and their swollen nipples as I pumped her pussy furiously and I moved one hand around to play with her hard clit while my other hand massaged her tits.

I sensed she was close to cumming again, so I grabbed her by the hips and began to really pound away into her steaming cunt. I watched my cock slide in and out of her wet pussy, watching her swollen lips cling to my cock on every outstroke. Candy began to moan and gasp as another orgasm began to fill her pussy, and I slid a thumb in her puckered asshole as I pulled her close, jamming my cock so deep into her that my balls massaged her clit. With a long, low scream, Candy came again, her entire body shaking and quivering as I mercilessly fucked her cunt.

Our intense fucking turned Candy into a grunting, insatiable whore. With a hoarse cry, she pushed me off, then threw me onto the floor. Then, Candy sat on top of me and shoved my cock deep into her dripping, hairless snatch. Her pussy juice was dribbling all over my balls as she rode my cock, eyes closed, lost in her own pleasure.

Candy's huge tits bounced over my head as she rode my cock, furiously pounding my throbbing shaft with her steaming cunt. She slapped my face with her monster globes, and I squeezed her mammoth 44DDs together and sucked her nipples into my mouth. She screamed in ecstasy, cumming again with a shudder as she rode my cock.

Candy was now cumming with almost every stroke, orgasm after orgasm. Her pussy was so hot and tight that I couldn't get enough of it! I could feel her cunt juice dripping down my shaft onto my balls and felt the hardness of her clit underneath my thumb as I rubbed her to yet another orgasm.

Screaming with pleasure, Candy collapsed on top of me, tits smothering my face as I kept pumping my dick into her pussy. But I wasn't finished with her hot body yet, not by a long shot.

"Now it's time for me to fuck your ass, Candy," I whispered in her ear.

Smiling through half-closed eyes, Candy slowly lifted herself up off my cock, her pussy making a wet slurping sound as my swollen cock popped out, and assumed an incredible doggie style position on the sofa again as she spread her long, lean legs, her beautiful big tits hanging down and jiggling freely. Grabbing an asscheek in each hand, she spread her cheeks wide, opening up her brown asshole to me, right above her juice-dripping pussy lips.

"Give it to me now!" she moaned huskily. "Shove that cock up my ass!"

I got on my knees in back of her and grabbed my hard cock. Smearing the oozing pre-cum around my cockhead, I wrapped my hand around the base of my cock and pressed the swollen head against her puckered asshole. Candy let out a deep moan of pleasure as my cockhead slowly slid into her tight ass.

BLONDIE

It's Shower Time...Get Your Towels Ready!

Don't ya just love a girl who can assume the position and look this good doing it? Blondie can, and we have a confession to make…We love the girl! You guys do, too, based on all the letters we get requesting more of this Euro-girl. Well, V-men, as we love saying, "Your wish is our command."

Yeah, gentlemen prefer blondes. So does the horny staff at *Voluptuous*. Hey, you have a cock, you gotta love women like Blondie. This is her third time in *Voluptuous*, which is more than the men she's had in her life (two). She can mix a mean martini–shaken, stirred, poured over our heads, who cares? And she has this adorable Eastern European, broken English accent, that just makes you want to lie by a fire, your head between her breasts while she reads anything (even those boring ass real estate classifieds) to you. Yes, for Blondie, her third *Voluptuous* time is definitely a charmer!

For the story on how we got Blondie in *Voluptuous*, break out your Jan. '03 issues. As for what she's doing a year later: "Not much. The same," says this Budapest bartender, whose English is getting better every time we talk to her. "I want to go to university, and I will next year. Posing will help me pay for university…thank you." Yes, the *Voluptuous* Scholarship Fund does work!

Damn, don't you just want to be a shower faucet? A bar of soap? Or that towel? Yes, *Voluptuous* is about living your fantasy, and thanks to women like Blondie, working at *Voluptuous* is one of them. The only thing that would make it better? Moving the office to Budapest, Hungary, where Blondie works as a bartender. And, for all of you video guys who want hardcore, that's very doubtful. Yes, all women fuck, but only a few do it on camera for the world to see. Right now, Blondie isn't one of them. But, what the hell, we like Blondie just the way she is–sexy and wholesome.

I stopped pushing for a moment just to feel her tight sphincter contract around my cockhead. Then, moving her hands away, I gripped one asscheek in each hand and spread her ass to its widest limit as I slowly drove my cock all the way into her ass. Candy groaned as her asshole swallowed my dick to the balls, and she began rubbing her clit frantically as I began my rhythm of ass-fucking: a slow pull out of her ass to the base of my cockhead, then a slow push into her ass up to my balls.

Candy squealed with pleasure as my cock pounded her hot asshole. The sight and feeling of my cock pumping in and out of her ass was so incredible, it was a miracle that I didn't explode right then and there. Somehow I held on, while I fucked her ass butt good!

"Oh, yeah, baby! YEAHHH!" she screamed, as I fucked her ass. I felt her body shake with orgasm as I slammed my meat into her tight asshole over and over. She rubbed her clit furiously, and I reached down and fondled her massive, swaying tits, cupping them and pinching her nipples while I pounded her browneye. It was all I could do not to bust my nuts and cum deep in her asshole as she pushed her butt onto my dick with every stroke.

Delirious with pleasure, I flipped Candy onto her back, pinned her ankles to her ears and fucked her ass missionary-style as she spread her pussy wide and fingered her clit with one hand while she squeezed a tit into her mouth with the other. My rock-hard cock plunged in and out of her asshole as she cupped her massive tits together, hard nipples poking straight up, and offered them to me. I bent my head down and sucked both nipples into my mouth as I pumped her ass and felt the stirrings of the biggest, hottest cum of my life beginning to boil in my balls. Candy screamed with another orgasm, and I knew that I finally had to blow my load.

"Time to fuck your tits," I whispered.

Smiling, her face flushed and sweaty, Candy cried "Yes! Fuck my tits, baby! Shoot your hot cum all over them!"

My cock was twitching and dripping gobs of pre-cum as I pulled it out of her asshole and straddled her chest. Candy

Voluptuous Xtra #8

Angelica Raven (pictorial on page one of *V Xtra*) leads an all-star cast, including Cherry Brady's XXX, hardcore debut!

Video Review By Elliot James

The *Voluptuous Xtra* video series has become a chart topper over the past three years and *Volume #8* continues this proud, cock-swelling tradition. This new collection of totally natural, totally hot women doing all the things that makes life jackable stars Cherry Brady, Kat Vixen, Emilia, Angelica Raven (formerly known as Busty Becky), Josephine James and Amanda. They put the F.U. in funtastic, worshipping the no-condom cock like the god it is.

Besides maintaining a high standard of technical quality and showcasing girls that are hard, if not impossible, to see anywhere else, it's the non-stop boob-play, the girls' eye-contact with the camera and the overall videographic emphasis on big-tit XXX sex, not just XXX sex, that makes this series what it is.

Scene one opens up with raven-haired beauty Angelica Raven going to a shoe store run by a breast-crazed clerk. Angelica used to call herself Busty Becky in *Voluptuous* and under that name she does solo masturbation in the video *Stacked & Packed #4*.

The clerk goes ape when she walks

Continued on page 9

VOLUPTUOUS XTRA #8

Continued from page 8

in flaunting her tits in a low-cut blouse and push-up bra. You'll go ape when you see Angelica on her knees blowing and tit-massaging cock. Angelica was horny with substitute salami in *S&P#4*, but we can see she truly rises to the challenge with real dick. First there's a warm-up, reverse cowgirl fucking that gets her pussy ready for a standard cowgirl position with some naughty-girl ass-spanking. She spins around to resume her reverse cowgirl, squatting and rising on the clerk's cock. She leans back on her hands, almost laying on top of him as she gets the flesh drill. Doggie is next, then the dreaded piledriver, with Angelica on the floor, ass up, legs in the air. Her splaying boobs frame her face as her snatch is pumped hard. Getting back into bed and laying on her back, Angelica squeezes her tits together for a boob-shagging. To end it on a perfect note, Angelica licks the ball-slop off her boobs with her studded tongue.

Emilia is a rare specimen, a big-titted bra-buster from Finland. In 1999, Emilia came to America to cum for a few months, then returned to Europe and dropped off the boob radar. Four years later, Emilia has packed on the flesh and her hunger for huge, stiff dick has increased.

She noisily slurps cock down as her superhorny scene opens, simultaneously tit-fucking and sucking the bloated shaft. She gets fucked from behind, first kneeling, then standing up. An extended reverse cowgirl fuck suits her greedy pussy as her tits splay to the sides. Emilia lays on her back for more cock, palming her boobs and fingering her clit as she's plugged, then she flips side-saddle for the anal invasion. She brings her leg up to be assfucked deeper. She gets into a doggie for an even deeper rectal rooting. Emilia clearly loves booty-cramming. She does a rare reverse tit fuck–you have to see this–which allows her to lick the swinging balls as the cock slides through her jugs. A load of guy-slop is dumped on her tits, which she licks up like the obedient cum lover she is.

Popular redhead Kat Vixen from *XL Xtra* #2 is back to audition for a strip club manager. She wears wild lavender boots, a babydoll nightie and a

Kat Vixen

lacey bra which is a sight that could make a tit lover drop a fucking load in his pants right there. She dances, grinds her big ass into the camera and jiggles her massive endowments, then kneels for an extended, close-up mouth and cleavage fucking. Her first fucking is a doggie hump, then reverse cowgirl to see her floppers swing like bell clappers. Kat is a screamer and a crier so a pounding missionary sends her into orgasmic heaven. Letters to V-Mail in *Voluptuous* magazine indicate that many of you want to see the girl jack a guy off at the end of a video, as opposed to the guy always beating off on the woman. This is exactly what Kat does, stroking the cock off and getting her giant boobs showered by a power spray of jack-glop, which pleases Kat to no end.

Not one to waste any time, Amanda goes right for action and her scene immediately opens with a blowjob. This is total you-da-cock with lots of staring eye contact. Her boobs are in the picture throughout. She licks his hairy balls with her studded tongue and literally worships cock. Her meaty snatch is spread for a missionary screwing with the camera overhead to capture her tits while she stares at the lens with a pleading expression. A squatting reverse cowgirl and then regular cowgirl lets you see every inch of Amanda's body. Our camera even gets under Amanda as she's fucked from behind until Amanda's rewarded with a face full of splooge.

Continued on page 14

Cherry Brady

V XTRA #8

Continued from page 11

Josephine James is a British wifey with a yen for ass-packing and raunchy sex. She starts the action off with a slobbering nob-gobbling and handjob, then climbs on board the sausage express in reverse cowgirl, taking the shaft inside her pierced cookie. She licks her own tits during a doggie jamming, and flips over for a drilling in missionary, legs held up back and high. Josephine is ready for anal, which she gets in doggie, then missionary, before she's coated in jizz.

The true showstopper is Cherry Brady, a super-popular V-Girl with a jawdropping body, who actually wrote her scene at home in preparation for this video. Cherry had a special personal fantasy she always wanted to do–to fuck her boss in his office–to fuck her boss in his office. Now she lives it out and we're the lucky recipients. This scene is packed with pre-fucking tit-play–squeezing, licking, nipple sucking, fondling and rubbing–everything a breast man loves. If there's an example of what the *Voluptuous Xtra* series strives to bring to your screen, this is the one. Cherry's cock-sucking talents are off-the-scale and the tit-fucking action is incredible. Cherry's fucked first in a missionary on the boss's desk. She keeps her hands off her hangers so they can wobble, shake and roll freely as her shaved, pink slit is stuffed. She gets porked bent over the desk and then mounts cock in cowgirl and reverse cowgirl. Seeing those huge gazongas swing is a sight meant for the rewind button, but there's more. After lubing up, Cherry gets shafted in the heinie in reverse cowgirl in one of the horniest moments ever in *Voluptuous Xtra*.

It's going to be rough to top Cherry's scene in future videos. Once you get *Voluptuous Xtra #8*, you'll know why.

cupped her 44DDs together, and I slid my cock into her cleavage, feeling her soft tits pressing around my cock as I watched my meat disappear between her sweaty jugs. I moved her fingers so I could see her swollen nipples at their fullest while I fucked her tits.

I jammed my cock deep into Candy's awesome cleavage as she crushed her tits around it and squeezed the pre-cum out, slathering it all over her nipples with the tips of her fingers. Her tongue flicked out like a snake at the head of my cock on every upstroke between her tits, licking off the dribbles of juice oozing out of my cock. Her hot mouth sucked my meat on each thrust while she mashed her tits around my shaft, and I fingered her clit as the cum welled up in my balls.

Suddenly, I screamed as the cum exploded from my cock in rocketing spurts all over Candy's massive globes and her beautiful sweaty face. Jet after jet of splattering cum splashed over her rack and into her greedy mouth, and I watched in delirious awe as she rubbed my ejaculating cock all over her magnificent tits and nipples and stuck her wicked, sperm-coated tongue way out for me to keep cumming all over it.

I was frozen in time, locked in a dream of continuous cumming, watching my throbbing cock shoot volley after volley onto her tongue, face and tits, until she was completely lathered in cum. Her tongue kept licking the hot cum from my dick as I blew my load, and the last thing I remembered before passing out next to her was Candy scooping my cum from her tits and face and pouring it onto her outstretched tongue and into her mouth with both hands, smiling a wicked smile through her pouty lips as she swallowed every drop of my boiling nut juice.

That was only the beginning. I found out afterwards that Candy was really a widow. He husband had left her the condo, but not much else. A natural nympho, she'd turned to starring in porn videos to get laid and get paid, and the little boxes I'd been delivering to her were copies of her latest videos!

Needless to say, I've been visiting Candy every chance I get. Overall, my job still sucks. But, like I said before… The fringe benefits are fantastic!

But, Linsey isn't alone up top. With this pictorial, II-cup Jenny has reached rarified air, joining Linsey at the top of the *Voluptuous* pyramid. Surprised? Jenny was. "You've got to be kidding?!?" was her response. Well, Jen, you're #1. Get used to it. The cool thing about this busty Brit is, she won't. Jenny won't change, whether she's #1 or #1000. And that's just one of the reasons why she's an all-time *Voluptuous* favorite.

What's the best way to describe Jenny. Black and stacked works. Bra-buster is another perfect description. And…you video guys know where we're goin', but, all gratuitious plugs aside, consider this a public service announcement. Jenny's *Battle of the Brabusters* video is sale-priced on page eight and *Black & Stacked #1* is in the Video Club on page 98. One of the things that has made *Voluptuous* your full-service, busty babe source is our ability to not only bring you the best magazine pictures of your faves, but video as well. Why? If you have to ask, you haven't seen II-cup titties in action. Trust us, the proof is in the pictures!

Greetings V-men! It's that time of the month. Great pictures, hairy palms and…toilet reading? You betcha! Don't ever let it be said *Voluptuous* isn't educational! True, it isn't *Great Expectations*, but Dickens never wrote about fucking busty babes, either.

This month, we have two great confessions from readers screwing around with married women. Hey, their husbands didn't satisfy them, so our readers did. And, they both get a $100 check from *Voluptuous*, suitable for spending or framing, their choice.

Anybody else out there have something they just have to get off their chest? Okay, okay, we recommend Bounty for those of you with really bad aim. For the rest of you, send in your true-life confessions to: The X-Rated Files, 1629 N.W. 84 Avenue, Miami, FL 33126. Sure, the TV series may have been cancelled. But, the truth is still out there, and in *Voluptuous* it's X-Rated!

DIVER DOWN

Dear X-Rated Files,

About ten years ago, I had an encounter with an older, married woman. To this day, I still think about her when I jack off. I hope you guys enjoy this story as it's absolutely true.

I had always wanted to learn how to scuba dive, so I decided to enroll in a five-week course. It was there that I had an incredible sexual experience and fulfilled a big breast fantasy.

The classroom was mixed with older and younger people. I was 23 years old at the time. One woman in particular caught my eye. She was only about five feet tall, which was fine with me as I'm only 5'6". She had a pretty face, and the most gorgeous body I had ever seen outside of the pages of *Voluptuous*. She must have been at least an E-cup. I later found out she was 36-years-old. Her name was Valerie.

Once class started, I could barely concentrate, as I was constantly looking over to catch a glimpse of Valerie's curvaceous body. She wore tight t-shirts and her nipples were often erect, poking through the thin fabric of her shirt, just begging to be sucked on. Following the second class, I got the nerve to talk to her. We chatted a bit and there was an immediate chemistry. She had the kind of body that makes you sweat just looking at it. Sure, there were younger, even prettier women in the class, but Valerie was oozing with sexuality.

The following week we were in the pool. I had been thinking about seeing her half naked for a week. Finally seeing Valerie in a bathing suit completely blew my mind.

She wore a sexy two-piece that allowed her more than ample bosom to spill out over the top. Perhaps, "spill" isn't the proper word. Gush is more like it. She was gushing out of her bathing suit–it had to be three sizes too small. Valerie could tell that I could not stop looking at her the whole time, and she knew how much I wanted her. At one point, when we were helping each other take off the scuba equipment, her chest brushed against my back, and I could feel the bulge in my wetsuit growing. We spoke after class and even had a drink at a nearby bar. We talked about this and that, and I learned that she was married but unfulfilled. That night I jacked off three times thinking of her fullness–her luscious ass, huge tits and hard nipples.

Finally, it came time to prepare for the class final, which was to be held in

ALADYA

The #1 *Voluptuous* Canadian of all time!

Hey, if you have one better, send us her pictures, and we'll pit Aladya and her tit-to-tit. Actually, please send us her pictures, pretty please. Canadian, American, Martian! We don't discriminate when it comes to *Voluptuous* ladies like Aladya. Three years ago, almost to the issue, we called her the newest "Voluptuous poster-girl," and our opinion hasn't changed!

Your classic *Voluptuous* girl-next-door, in body and spirit, Aladya isn't a porn star, stripper, exhibitionist, into tantra sex or whips and chains. Three years ago she was a lady with a dream and a question–"Am I good enough to be in *Voluptuous?*" Our answer? This is her fourth appearance in *Voluptuous*. How has fame changed her? Not one bit. Always soft-spoken, she's still working nine-to-five in western Canada, where she was born and raised, digs her hockey, hasn't found a man yet, but her biological clock is doing a *My Cousin Vinny*, so she's looking. Road trip, anybody?

Will Aladya keep on posing? She wants to. But, even Aladya recognizes that, in her words, "Everybody has to hang it up some time." No, say it ain't so. "Honestly, if readers ever get bored with me, let me know and I'll stop bugging you to pose." How can you not like this chick? Great body, humble attitude. Even a kinky side. "Well, you already know that from my last *Voluptuous* pictorial," says the star of the Holiday 2000 issue. "I guess I'm like a lot of women. We all have a dirty side just dying to come out. I'm the same way!" Aladya's way? Posing. And, thank goodness for that. Will we see more? You tell us, and Aladya. This is your magazine, so write the V-Mail and tell us what you want.

a water-filled quarry about an hour away. Valerie had suggested that we drive up together and stay in a hotel together. I eagerly agreed, and a few days later, she picked me up in her red BMW. Our conversation was still mostly small talk until we reached the hotel. She made subtle hints that she was not getting the attention that she needed from her husband.

We checked into our hotel and went to our room. I was a little nervous as I had never been with a married woman before. I guess I was feeling a little bit guilty about it, but loking at Valerie's incredible body made me forget all of that. To my surprise, she was a bit nervous as well. Since we both felt a bit awkward, we decided to get something to eat in the restaurant next door. When we got back to the hotel, I suggested we rent a movie from the front desk. We rented *Pretty Woman* and went upstairs. We put the movie in and I laid down on her bed next to her.

As I leaned over to try to kiss her, she pulled away and said, "You know that I'm 13 years older than you?"

"Yes, I know, but I don't care. Plus, you're the hottest woman I've ever met," I told her.

With that she let me kiss her on the mouth, my tongue finding its way to hers. I pulled her body close to mine and a shiver of excitement coursed through me. We kissed passionately for about ten minutes, my hands feeling every inch of her. I could not keep my hands away from her breasts. I pulled her top off and she pulled off my shirt. Her breasts were so beautiful and heavy that I actually felt drool forming on my lips. My tongue went straight for her left areola, flicking at it, driving her crazy. She had the super-wide type of areolae that I dream about.

Hearing her moan softly got me more excited. I held both her breasts in my hands and moved my tongue back and forth from one nipple to the other. My cock was rock hard. I could have worshiped her tits for hours, but we both wanted some serious fucking.

I undid her jeans and yanked them down. I massaged her pussy with my hand through her panties. Her pussy was sopping wet. I pulled aside her

panties and gave her snatch a long lick with my tongue. Valerie was squirming and begging me to lick her more. I gladly obliged and started kissing and sucking on her swollen clit. As I was eating her, I still could not keep my hands off of her tits. With every caress of her chest and lick of her pussy, I got more excited, as did she.

"Now, it's time for me to return the favor," Valerie moaned. She moved down the bed and put my cock in her mouth. She worked her tongue up and down my shaft, stopping only to put my balls in her mouth, rolling them around with her tongue. I was in heaven. I could feel the cum building inside of me and I could barely stand it any longer. She must have felt how my cock was throbbing, so she put my rod between her tits. She used her saliva to lube up her breasts and began to titfuck me. I moaned louder and louder, until my first load of the night went right between her mounds.

"Mmmm," she said, licking the head of my cock. "I hope you have more."

"I can keep going all night."

I wasn't lying, either.

We rested a little, and I started kissing her breasts again, which immediately got me hard. She was still wet, so I wasted no time going right for her pussy. I got on top of her and entered her. Valerie's pussy felt so good. We fucked like rabbits in every position I could think of. I fucked her on the floor, on the chair and on the desk. She went wild when we fucked doggie style. I grabbed her juicy, swollen tits from behind and slammed my cock into her, those round, full ass cheeks providing just the right amount of cushion. The whole time I was fucking her from behind, I kept one finger buried in her beautiful, tight asshole, which kept her screaming for more.

The best part was when she was on top with her soft, heavy, spongy tits hanging down, smothering my face, flopping on either side of my head, burying me in a mountain of cleavage. I can still remember how her nipples tasted, with the musky scent of sex making me crazy.

We fucked four times that night. When we were finally spent, it was around three in the morning. We had totally forgotten that we had to do our scuba test in the morning. Somehow, we both managed to pass our scuba test

and we both got our certification, even though we were completely exhausted. Somehow we mustered the strength to fuck again that night.

I saw Valerie a few more times after that, but stopped because her being married made me too nervous.

A few years later, I ran into Valerie on the beach, and I was happy to learn that she was still married, and happier than she had been when we had our tryst.

"All I needed was a little fling to get me going. You recharged my batteries," she told me. "Thanks."

I just smiled and thanked her back.

I hope you publish my true-life story in *Voluptuous.* If you do, please keep my address in. Enjoy, and keep up the good work.–J. Schueriner, 209 Lee Circle, Bryn Maur, PA 19010.

THE CUL-DE-SAC MOM

Dear X-Rated Files,

I just wanted to write and tell you that *Voluptuous* and *SCORE* are my two favorite magazines. I've been reading for years, and I even got a subscription through a private box at the Post-Net because, to be completely honest, I have a complete bitch of a wife. We've been married for 12 years, have one child, a cat, a dog and, well, that's about as good as it gets for me. Our sex life is boring, when it does happen, which is rare. Once a month at best. If I didn't have a daughter, I would have been long gone years ago.

I live on a quiet, family-oriented cul-de-sac, and my neighbors have the same problems. At least the men do. The women, they're all looking. Wandering eyes, if you know what I mean, and Dana was one of them.

She's only been in the neighborhood for a year, but I remember the first time I saw her. She and her husband were moving in last summer. It was hot. Real hot. And, she had on this loose fitting t-shirt. Normally, I don't like to watch women move furniture, so I went over to offer my help. The closer I got, the harder I got. From a distance of about 1500 yards, Dana looked like any other woman. But, as I got closer, I noticed that she had one helluva rack. I didn't know the exact measurements, because I don't know that kind of stuff, but her t-shirt, soaking wet from perspiration, showed everything. The lace of her bra. The round, brown areolae shining

ROBERTA CANYON

Another busty housewife-next-door!

How many busty housewives can we show in *Voluptuous?* The more the merrier! Diane The Great (p. 12) and Roberta, who debuted in the June '02 *Voluptuous*, not coincidentally when Diane was on the cover. "I thought that was fantastic, Diane and I both in the same issue," says Roberta from her home in Tampa. "Personally, I think *Voluptuous* is great. You show 'real' women. And, you show that 'real' women can be just as sexy as some unrealistic runway model. *Voluptuous* is the best!" Damn, and we only asked Roberta what she thought of posing.

How excited was Roberta to pose again? "Thrilled! Ecstatic! Orgasmic! You made my life!" says this near 40, Tampa, Florida woman. "Are you kidding? I'd drive cross country to pose again. I'd do it for free. I'd pay to do it!" You think she digs being in *Voluptuous?* "It's not just the modeling," continues the talkative one. "It's all of the compliments. Seeing yourself in pictures. Knowing guys are jerking off all over your pictures. Talk about giving a girl an ego boost!" Hey, Roberta, we aim to please!

through the fabric. Her hard nipples poking through what looked to be an inch through her shirt…She was really unbelievable.

Dana isn't a big girl, either. She's only 5'1" and very small boned, from what I could see. Eurasian, I found out later, she is your classically petite woman, with a rack like Danni Ashe, I swear to God.

She caught me staring at her breasts, too, but she didn't say anything. In fact, she smiled, subtly, but it was definitely there. Then, her husband came out. He's a cop and one of *those* cops. Macho, bossy, the type of dad who expects his son to be a #1 draft pick, and definitely the type who doesn't like guys ogling his wife.

Fortunately, we soon learned he wasn't the social type. He would work the night shift and sleep all day. Dana and my wife became friends, as did our children, and she would spend a lot of time sitting on my porch or on my couch. She was very flirtatious, too, albeit, in a subtle way. A smile here, a touch on the forearm there, a look back and a wave–little things she didn't do to other neighbors that made my day.

It had been so long since any woman, my wife included, showed any interest in me, that I loved every second of it. We flirted for eight months. During that time, I would smile, have great conversations, and basically stare at her huge tits every chance I got.

When she wasn't around, I would spend my time in the bathroom, jacking off like crazy to all kinds of fantasies. My wife always went to sleep early, and a lot of times I would spend time in my den, with the door locked and my copies of *Voluptuous* laying around. The older issues with Danni Ashe helped, thank you very much.

I spent months jerking off to my fantasies of Dana and was jerking off to her when she called me one night. It was a Saturday, her husband had already left for work and my wife had taken our daughter to her mom's house in another state for the week.

"Mitch," she said (sorry, not my real name). "I hate to bother you, but I was trying to move the dining room table. Darin is working. The kids (she had

two) are at sleepovers, and I was wondering, if it wouldn't be too much trouble, could you…"

"No problem," I said, cutting her off in mid-sentence while I reached for my jeans that were on the floor.

I was over to her house in less than five minutes, not even thinking this would be the night, but just happy to be able to see her.

I didn't even have to knock. Dana was at the door, wearing a pair of white capris and a conservative, red shirt. The button up ttop, with a collar but no sleeves, type. Of course, it was tented out front, and she had the top three buttons undone, which was out of character for her. She was drinking some red wine and getting "happy" tipsy.

She asked if I could help her move some furniture, and I obliged. Being an interior designer, her idea was to move a table two inches to get it just right.

When she knelt down to see if the "lines were right," I had a straight shot to her cleavage, and I started to get hard immediately. I could see her lace bra, pushing her tits together, and I immediately sat down to hide my dick.

Then, she asked if I could help her in the basement, to which I nodded and followed her down the stairs. She was smiling a lot, looking down at my groin, which I normally would have interpreted as an invitation. But, Dana was always doing that. We had been playing that game for months.

Once downstairs, she sat down on the queen sized bed that used to be in her daughter's room.

"Why's it down here?" I asked.

"Darin and his cop friends moved it so he could sleep here during the day. It's quieter," she explained, as she sat on the bed, then abruptly fell backwards, her breasts jiggling underneath her shirt as she hit the bed.

"God, I can't believe it. I'm so buzzed right now," she said, nonchalantly. "C'mon, have a seat. It's comfy."

I sat down next to her, on her right, fidgeting with my hands.

"So, what are we doing down here?" I asked, as I looked down at her.

Dana had rich, brown eyes and they were looking right through me.

She paused for a moment, ran her hands over her face and through her hair, then she tilted to her side, ran her hand down my forearm flirtatiously, as she had done many times on the cul-

de-sac. As her fingernails danced on my left forearm, I looked down at her eyes, leaned over and kissed her.

She didn't back away, but she didn't come forward, either. Our lips touched, mouths slightly apart, and we kissed gently, for what seemed like an eternity, but in reality was only a few seconds. When we separated, our eyes opened, and I was closer than I had ever been to her. When I saw her eyes close again, and her head move towards mine, I also moved closer and kissed her again, only this time our tongues met at the tips, between lips slightly parted. We touched briefly, then separated, then touched again, and then I felt her hand around my arm, pulling me over on top of her as she fell on to her back.

Our kisses grew more passionate, and both of our hands were roaming. Hers on my back and through my hair, mine on her shoulder and head, gently, until I couldn't resist and I went for her breasts while her hand glided down my side, to the zipper of my jeans.

"Let me turn off the light," she said.

"Why?" I said, between kisses.

"I don't want you to see me naked. I have such an ugly body."

"Dana, you have a great body…"

"No, I don't, I…"

She stopped in mid-sentence, as my hand reached between her legs…

"I…I…I can't believe how hard you are, " she breathed softly.

That I was, and Dana slowly rubbed my cock underneath my jeans. Then, she undid my zipper and pulled my pants and underwear off. My cock was rock hard and she went right for it, licking and caressing every inch of me.

"Why don't you turn around, Dana," I said, as my hands were running through her soft, silky, brown hair.

"Really," she said, her eyes lighting up as she licked the side of my shaft. "I haven't, you know, had one of those in so long. I can't even remember when."

"When was the last time you came?" I asked, pulling her head off my cock.

"I can't remember. I never do. Darin's on and off in two minutes."

"You're fuckin' shitting me?!? Dana, things are going to be a bit different right now. Tonight, it's all about you."

With that, I laid her on the bed and worshiped every inch of her body. We kissed forever, and then I worked my way from her neck to her toes, paying

GEMMA

Young and Stacked!

The girl looks familiar, doesn't she? Her name's Gemma, she's been our March *Voluptuous* girl for the past two years, only this time, we figured we'd get her in a bit early. Why? Because Gemma couldn't pose next month for the March issue. She's too busy serving her country. Yep, Gemma's an army brat, or is it Brit, or is it both? You add busty, and we'll go for all three!

Hard to picture this fresh-faced cutie-pie in fatigues and carrying a weapon, but Gemma does. Gets up early, goes to sleep late, works in not-so-nice areas. Okay, okay, we're being a bit vague here, but only because Gemma asked us to be. She's in that certain area that has been in the news lately, but she's really not allowed to say anything. Get it? Gemma does, and though understandably nervous, she's proud and honored she' able to serve her country. We are, too, Gemma.

special attention to her breasts. I knew she had a great body, in spite of all the baggy clothes she wore, but seeing her naked, I couldn't believe it. Two children, and she had a flat stomach, no waist whatsoever, not a stretchmark to be found, curvy hips, slender legs and those huge tits…If she would pose, she'd be Model of the Year, easy!

I'm not some porno stud, so we only fucked once, but the foreplay and loving lasted for hours. And Dana, who hadn't had an orgasm, probably ever, came so much and so hard, she almost passed out. The first time, I was going down on her, and she almost broke my neck. Then, I had to worship her tits. After licking her pebbly areolae, I pushed her breasts together like the girls in *Voluptuous* and gently tugged on both of her nipples with my teeth and she started to cum again, just from the breast play! I'd never seen that before, but I guess one orgasm got her going and the rest were coming so often, she had to beg me to stop.

When we fucked, it was unlike anything I'd ever experienced. Yeah, I came rather quickly. Not any two minutes, though. More like 10, but can you blame me? The passion was mindblowing. She met me with every thrust, her entire body engulfed with passion. And, when Dana came again, this time with me inside her, it seemed like every pore of her being clutched mine, from her feet to her lips, and her pussy tightened around my cock so much, her entire body spasming in orgasm, I couldn't help myself from cumming.

Afterwards, we laid there for a couple of hours, like we were in love, as she later told me we were. Legs entwined, her gentle fingers caressing my hair and running gingerly down my cheek. Finally, she asked the question we both were thinking…"Where do we go from here?"

Good question.

We talked some more and came to the conclusion that we both love our children more than our spouses, so divorce is out of the question. And, we haven't talked about it since.

It's been six months since we made love that one time, and though we both want to again, desperately, we simply

haven't had the opportunity. I'm sure if we had cheated all the time, it would be easy to figure out how, but we're not exactly infidelity experts.

The flirting continues, though. Her hand always caresses mine when we meet at the mailbox. A little touch here, a squeeze there, and a mumbled phrase like, "Just wanted you to know I was thinking about you."

When we take our kids to the bus stop, we always talk, and when the weather gets a bit chilly, she snuggles up next to me to keep warm. The good thing is, Dana's pretty brazen about hugging me hello and goodbye, kissing me on the cheek any chance she can. When we have dinner, either at her house or mine, one of our toes is always touching the other's under the table.

The closest time we came to doing it again was when we were walking our dogs one night. We turned a corner, found a little hidden area and started making out like high school kids. Feeling her breasts, sniffing the aroma of her Bath and Body Works citrus splash, feeling her hot breath on my neck and her delicate fingers inside my jeans, I was so damned horny, I wanted to fuck in the grass. Instead, she got on her knees and went down on me out there, against our neighbor's fence. I felt her small mouth tightly wrapped around my shaft, fucking me insatiably with her mouth. I consider it one of life's great tragedies that a car started to come around the corner and she quickly pulled up, hiding my boner with her jacket. A tragedy indeed.

I told Dana the other day that we oughta both get divorced, keep the kids, and live under the same house.

Her response?

"I wish."

Me, too. Who knows? Perhaps one day.–M.G., St. Louis, MO

DAPHNE ROSEN

The Complete Package...From Every Angle!

All righty, boys and girls, last babe of the month, and she's a good one! Daphne Rosen, Israeli college student xxxtraordinaire, hardcore star of the Dec. '03 *V Xtra*, video vixen from *Voluptuous Xtra #8* and overall super-horny, busty babe. The best *Voluptuous* chick out of Israel since the legendary Nilli Willis? Jeez, has it been that long? Almost two decades? Here's hoping we don't have to wait that long before another babe comes along who's hoping to become the next Daphne Rosen!

More than just a *Voluptuous* model, Daphne is a *Voluptuous* reader. And a *Voluptuous* fan. You've already read in May '03 about how she did the cunny lapping thing with *XL's* Eve Tyler, which tells you she ain't the bashful type. And she likes 'em big…"I masturbate every night with my 13" dildo, Mr. Purple!" And she digs "nerdy" guys like David Schwimmer, the geekiest of all the *Friends*. Pick-up lines, she's heard them all, and they'll work on Daphne when they're creative. "One guy came up to me and said, 'Where are they? Your wings? I can tell an angel when I see one!' I just had to sleep with him." Yep, she's a sexual dynamo. An exhibitionist, too. And a full-figured one! Which means, if you think you're gonna do all the humpin', guess again. "I don't exactly lay there like a dead fish!" says this Massachusetts college student. "But, you already knew that. Anybody who has seen my video *(Voluptuous Xtra #7,* available on page 30 of this month's *V-Mag)*… knows how good I am in the sack!"

And, now it's time for the obligatory close-ups…Okay guys, fire away. Daphne wants you to! "Hell, yeah! Go for it guys! I want you to! Nothing is more of a turn-on than watching a guy jerk off. It gets me so hot, just thinking about a guy jerking off to my pictures makes me want to do the same thing! The only that that would make it better is if I could give each of you a hand!" What a gal! And what a body! More than deserving of the ol' *Voluptuous* 21CC salute! Ready, boys…aim…fire!

ON LOCATION COSTA DEL SOL

In the tradition of *On Location Key Largo*, *On Location Costa Del Sol*, filmed at a mansion in Spain, features the video debuts of 2003 newcomers Ines Cudna and Nicole Peters, plus Kerry Marie in her hottest video ever and Cassandra, who never puts on a bit of clothing. Scorching girl-girl action! Big boobs oiled up! Boobs underwater. See Ines get licked and probed by Cassandra in a scene nastier than anything we ever thought we'd see her do. The DVD contains tons of extras, including an expanded Ines-Cassandra scene and the girls out on the town.
VIDEO: X-RATED 120 MINUTES, $39.95
DVD: X-RATED, 180 MINUTES, $49.95

BOOB TALK

It's show and tell time with the V-Girls as they get probed by our horn-dog interviewers. The talk is dirty, the posing is explicit and the revelations range from fascinating to downright hilarious. The naturals are Cherry Brady, Susie Wilden, Kelly Madison, Autumn-Jade, Annie Swanson, Brandy and Bre. The *SCORE* Girls are Minka, Lana Lotts, Mary Carey and SaRenna Lee. They try on bras, sexy clothing, demonstrate their tit-sucking and tit-kneading techniques and fill their holes…for demonstration purposes only, of course. You'll jack til your nut-sack is dry! Video or DVD, same low price.
X-RATED, 120 MINUTES, $24.95

BLACK & STACKED #1

Black chicks with huge tits are the stars of this debut video, one of the best-selling ethnic videos of all-time. Why? Here's Jenny! Her pictorial is on page 52 of this issue, so go on back if you need more convincing. For most guys, one picture like this, and they know…for big, black and stacked, it doesn't get any better than Jenny. Plus, Jenny's co-star in *Battle of the Bra Busters*, Sammie, is on this video, along with *Voluptuous* favorites Chaz, Amanda White and young Wesley. Five busty babes. Rare footage in a classic video for *Black & Stacked* lovers! **83 MINUTES, R-RATED $34.95**

VOLUPTUOUS XTRA #6

Denise Davies (above right) makes her boy-girl XXX debut, Annie Swanson (above left) rides cock for the second time on video, and Chaka T. does the nasty on video. Need more reasons to get *Voluptuous Xtra #6?* Try Melissa Carey, Euro-chick Andrea and Gwen Sanders. Do you love seeing sexy, large-chested girls getting speared by hard salami? Do they have to have perfect, all-natural boobs to make your day? Is natural-tit fucking the stuff of your dreams? Like sloppy blow jobs with plenty of eye contact and anal action, too? Then this one is for you. Available on video or DVD for the same low price. **114 MINUTES, XXX-RATED $39.95**
